\*1 Prices are subject to change without prior notification

\*1 A vaccine consultation is chargeable if upto £60 of vaccines are not given during the consultation; flu vaccine is excluded from this consultation charge

\*2 the TB-Quantiferon Gold test is required for those children who are 5 years of age and above prior to giving the BCG vaccination. An additional charge of £30 will be made if you would like the blood test carried out at home by our phlebotomist to save you coming to the clinic.

\*3 This price is for both doses of cholera

\*4 We are not a designated Yellow Fever centre, although we do have a doctor who is authorised to administer the vaccine

<sup>^</sup> Please call due to the current UK shortage of these vaccines
