^{*1} Prices are subject to change without prior notification

^{*1} A vaccine consultation is chargeable if upto £60 of vaccines are not given during the consultation; flu vaccine is excluded from this consultation charge
the TB-Quantiferon Gold test is required for those children who are 5 years of age and above prior to

^{*2} giving the BCG vaccination. An additional charge of £30 will be made if you would like the blood test carried out at home by our phlebotomist to save you coming to the clinic.

^{*3} This price is for both doses of cholera

^{*4} We are not a designated Yellow Fever centre, although we do have a doctor who is authorised to administer the vaccine

[^] Please call due to the current UK shortage of these vaccines

Well Man Health Screening Plans & Fees ^{*1}
